Dear colleagues,

We are happy to announce that the 22nd International Review of Puppet Theatres will be held from the 3rd to the 10th of November 2017. in Rijeka.

Like every year, we invite all puppet and children's theatres from Croatia and abroad to apply with their performances if they wish to participate and enter the festival selection. The number of applications per theatre is not limited and we will be receiving them until the 1st of May 2017. Theatres which enter the selection will be notified about it by the 1st of July 2017.

The organizer of the Festival is responsible for hotel accommodation, three meals per day, transport costs and technical support. In addition to that it is possible to negotiate specific conditions with individual theatre companies.

We kindly ask all who are interested to send video recordings of their selected performances by mail (DVD-s) or via e-mail (direct links to performance online) and also e-mail their application form, technical rider and requirements, photographs, a short synopsis and cast to gradsko-kazaliste-lutaka@ri.t-com.hr.

We are looking forward to our meeting in Rijeka and send you our best wishes!

Kindest regards,
