

Film the cat parade

Required equipment

- Large black fabrics
- Large table
- Two lights on tripods
- Video camera or smartphone on tripod
- Black long sleeve shirt (for each manipulator)
- Black gloves (for each manipulator)

Installation suggestion

- See next page

Steps of realization

- Hiding the room
- Place the handling table one meter behind the wall
- Fix the black fabrics on the wall and the table
- Point the lights towards the centre-front of the table
 - The manipulators at the rear must not be in the light beam
 - The puppets must stay in the light all the time they move
- Install the camera to frame the table in the 1/6 at the bottom of the frame (example in the tutorial)
 - Do not see the faces of the manipulators
- To practice with the manipulators to find different characteristics of steps, movements and acrobatics of the puppets cats
- Work with music to stimulate movement and rhythm
- Film your cat puppet parade

Video Recommendations

- The video must be in horizontal format (landscape)
- Save the video in a current format with a resolution of 720p minimum
- Provide the best extracts separately (no editing, no music)

Send videos to UNIMA

- Maximum duration of all selected extracts: 30 seconds
- Send your files no later than January 31, 2019
 - via a file transfer service (wetransfer, yousendit...) to web@unima.org
 - or via the form on the UNIMA website -> unima.org/catparade
- Indicate clearly:
 - The name of the establishment, the city and the country
 - Your name and email address
