

## OPEN CALL FOR PUPPET AND THEATRE OBJECT WORK IN PROGRESS PROJECTS

Pendientes de un Hilo festival offers a space for emerging creators to present their projects to international programmers

Pendientes de un Hilo festival hosts the VI **Plataforma de Lanzamiento**, a framework for creators from the world of puppetry and theatre object to show their embryonic ideas to a group of international experts and programmers on visual theatre.

The call is open to artistic projects by emerging companies or creators in the discipline of puppet and object theatre. The pieces to be presented must be in process and have not yet been premiered.

The selection of the project implies the attendance at Pradillo Theatre in Madrid (Spain) to present the proposals on October 30<sup>th</sup> and 31<sup>st</sup>. One of the projects will receive an artistic residency at **Centro del Títere** and the possibility of being part at **Pendientes de un Hilo 2025** programme. In addition, another of the proposals will be selected to participate in **Incanti festival** in Torino (Italy) and another object theatre project will enjoy a residency at **Centro Dramático Rural** in Mira and could show their results of their work in 2025 edition of F.E.O. festival (**Festival de Escena Objetual**).

Registrations to participate in Plataforma de Lanzamiento will be made through the festival's website by filling out a form until September 15<sup>th</sup>. On September 22<sup>nd</sup> the resolution will be communicated to all candidates.

Plataforma de Lanzamiento has the support of the Comunidad de Madrid and Acción Cultural Española (AC/E) through its Program for the Internationalization of Spanish Culture (PICE).
